

DataPro Celebrates 50 Years in Business

**DataPro Celebrates 50 years in Business. Come to our open house
Thursday September 10, 2009 - 3:00pm to 6:00pm**

DataPro Solutions is celebrating 50 years of workforce efficiency and innovation with an open house on Thursday, September 10, 2009 from 3:00pm to 6:00pm. DataPro Solutions enhances worker productivity through mobility, information, infrastructure and labor tracking. The business was founded in September of 1959 as Data Processing Services, Inc. by Roger Stilson, Al Decker, Charlie Henton, Phil Stanton and Roy Homlund. Doug and Ann Johnston bought the company in 1991 and changed the name to DataPro Solutions. In 1996 DataPro Solutions was recognized as one of the fastest growing companies in the state of Washington with 754% growth since 1991. DataPro won an AGORA Award in 1998 and was a finalist again in 2009. DataPro Solutions is now an employee-owned company.
