## Workplace Litigation

Force management, labor cost management, and HRIS systems help address many of the most common workplace targets. Can your company afford the expense and consequences associated with work place litigation?

Misclassification of employees as exempt or as independent contractors

Failure to pay otherwise exempt employees on a salary basis

“Off-the-clock” and regular rate cases

Donning and doffing activities

Unpaid on-duty meal periods

Denied reimbursements

#### NOVAtime News

We've added training videos to our website. NOVAtime provides additional training resources they will be made available.

[http://www.datapronw.com/Training\\_Videos.html](http://www.datapronw.com/Training_Videos.html)

NOVAtime continues to receive exciting new enhancements. In future articles we will begin to highlight some of the valuable enhancements.

Here are a couple that may be interesting:

Hosted Phone In module - You don't need to purchase an additional server to allow your employees to punch in remotely.

Color highlights in the time sheet. If you have managers who struggle to recognize the missed punch that requires their attention, NOVAtime 4000 has an answer for that.

For more information about additional capabilities, and what's available for your system you can contact support, or your account representative at 1-888-658-6881.
